

To

The Director Medical,

ESSI KPK

Peshawar

Subject: Transfer of duty station

Madam,

Most respectfully it is stated that I am working as a WMO in ESSI from the last 5 years and 3 months. Throughout my tenure I have been working at MCC Phase 1 Hattar until recently when last month on 18/12/2024 I was transferred to MCC Abbottabad. Since I am a resident of Abbottabad so being transferred to Abbottabad has been quite favorable for me.

But the transfer has been reverted on 27/01/2025 again to MCC Phase 1 Hattar. It is hereby brought into your notice that more than 70% of my salary is spent if I travel daily for my duty from Abbottabad to Hattar. The monthly conveyance costs me around 70K including driver's fee and fuel charges and car maintenance. Also the daily travel is causing me health issues and backache also affecting my family life.

It is therefore humbly requested kindly transfer me either back to Abbottabad or phase 4 Hattar (against the vacant post of WMO) or either to social security post of Baldher, Havelian.

Thanking you in anticipation.

Yours sincerely,

Dr. Tayyaba Jehangir

Woman Medical Officer
